Education

Utrecht University

Nov 2022 to present

PhD in Sociology

- Why do highly educated ethno-racial minority individuals report more discrimination than their less educated counterparts? I study perceived discrimination in relation to educational attainment in multiple European countries.
- Supervised by Frank van Tubergen, Meta van der Linden and Lucas Drouhot.

ENSAE

Sep 2018 to Jun 2022

Engineering Diploma in Data Science for Social Sciences

- Specialization in Data Science for Social Sciences. Econometrics, Statistics, Applied Mathematics, Demography and Quantitative Sociology courses.

Université de Versailles et Saint-Quentin

Sep 2021 to Jun 2022

Master's Degree in Quantitative Sociology and Demography

- Research Master including courses in Sociogenomics, Demography, Cultural Sociology and Quantitative Data Analysis

Experience

Research Intern

Aubervilliers, France

Institut National des Etudes Démographiques

Nov 2021 to May 2022

- Research on self and proxy-reports of socio-economic variables using French survey Trajectoires et Origines 2 (2019-2020).

Research Assistant

Massy-Palaiseau, France

ENSAE - Institut Polytechnique de Paris

Oct 2021 to May 2022

- Research assistance to Ivaylo Petev and Patrick Präg. Study of French women driving habits using INSEE's ENTID (1971-2018).

Data Analyst

Paris, France

Conseil d'Analyse Economique

Jun 2020 to Mar 2021

- Research assistance to Ivaylo Petev and Patrick Präg. Study of French women driving habits using INSEE's ENTID (1971-2018).

Ongoing Work

Beyond the Integration Paradox

- Is the integration paradox unique to perceptions of ethno-racial discrimination, or can it be extended to study other discrimination perceptions?
- Reviews Requested.

Growing up Disillusioned?

- Developed a desktop calendar with globally shared and synchronized calendars, allowing users to schedule meetings with other users

Who do They Think You Are?

Preprint [↗](#)

- How do proxy-reports of educational attainment within families influence estimates of intergenerational social mobility?

Publications

Consumption dynamics in the COVID crisis. Real-time insights from French transaction & bank data. 2020

C. Landais, D. Bounie, Y. Camara, E. Fize, J. Galbraith, *C. Lavest*, T. Pazem, B. Savatier
