Education

Sciences Po *Oct. 2026* – ongoing
Post-doctoral position at the Research Center on Social Inequality

- How do discrimination (unequal treatment) and inequality (unequal outcomes) relate in European countries, for both ethno-racial and gender grounds, and what drives this relation? I study this link at a national and international scale, combining experimental data and observational data.
- Supervised by Mirna Safi (ERC project DISEQUAL)

Utrecht University *Nov. 2022 – Oct. 2026*
PhD in Sociology

- Why do highly educated ethno-racial minority individuals report more discrimination than their less educated counterparts? I study perceived discrimination in relation to educational attainment, the so-called 'integration paradox', in multiple European countries.
- Supervised by Frank van Tubergen and Meta van der Linden. PhD Defense planned for January 26th 2027.

Copenhagen University *Sept. 2025 – Oct. 2025*
Visiting PhD

University of Versailles and Saint-Quentin *Sept. 2021 – June 2022*
Master's Degree in Quantitative Sociology and Demography

- Research Master including courses in Sociogenomics, Demography, Cultural Sociology and Quantitative Data Analysis

ENSAE IPParis - National School of Statistics and Economic Administration *Sept. 2018 – June 2022*
Engineering Diploma in Data Science for Social Sciences

- Specialization in Data Science for Social Sciences. Econometrics, Statistics, Applied Mathematics, Demography and Quantitative Sociology courses.
